

The University offers PH D programme through all of its departments and a number of schools and centres under the faculties of

- 1.
1. Engineering and Technology
2. Basic and Applied Sciences
3. Social and Management Sciences

Ph D programme is offered through the department of

- 1.
1. Aerospace & Applied Mechanics
2. Architecture
3. Chemistry
4. Civil Engineering
5. Computer Science & Technology
6. Electrical Engineering
7. Electronics & Telecommunication Engineering
8. Human Resource Management
9. Humanities and Social Sciences
10. Information Technology
11. Mathematics
12. Mechanical Engineering
13. Metallurgy and Materials Engineering
14. Mining Engineering
15. Physics

The Schools/centres offering PH D programmes are

- 1.
1. Community Science & Technology
2. Management Sciences
3. Material Science

4. Mechatronics and Robotics
5. Purabi Das School of Information Technology
6. Safety and Occupational Hazards
7. VLSI
8. Centre for Green Energy and Sensor Systems
9. Centre for Healthcare Science and Technology

Admission to the Ph D programme offered by different departments/schools and centres are done twice in a year. Announcement for admission to the PH D programme is usually done in the month of April/May and October/November each year. Only on-line application is accepted. Accommodation is arranged in a shared basis with the PG students. University is converting a UG hostel, which is no longer used to accommodate UG students, exclusively for the research scholars. Financial Assistance is available through different agencies like DST, CSIR etc. as well as limited number of Institutional scholarships. For more information please see the Ph D prospectus.
