

IEST upbeat on industry link-up

The Times of India, Kolkata, November 1 Tata, November 1 Indian Institute of Engineering Science and Technology

In its earlier avatar as Bengal Engineering and Science University (Besu), the institution had signed

The MoUs will be signed at Rashtrapati Bhavan next Wednesday in the presence of President Pranab Mukherjee. The campus is buzzing with excitement at the news. "We are eagerly waiting for the MoUs to be signed,"

The six companies — Bharat Heavy Electricals Ltd (BHEL), Garden Reach Shipbuilders and Engineers Ltd (GRSEL), MN Das Engineering Works Ltd, Garden Reach Shipbuilders and Engineers Ltd may start a new programme on naval architecture and design. Tata Steel, which has already set up three distinguished chair professors at the institute, may also
